ARCHIOL COMPETITIONS

Sunlight in architecture

Introduction:

Sunlight in Architecture is a 2021 Architecture Conceptual design Competition, organized by Archiol. Sunlight is one of the most important and powerful design elements. How can the different types of natural light be used in architectural design? Using different types of natural light, such as diffused, direct, reflected, and zenith create conceptual design.

The competition, Sunlight in Architecture is looking for conceptual design submissions on the importance of the sunlight in architectural design.
